SUMMARY

Full Stack Web Developer with a background in research, team building and a life-long dedication to learning. Effective at combining creativity and problem solving to develop user-friendly applications. Known for keeping a level approach to problem solving and excellent work output.

TECHNICAL SKILLS

Languages: HTML, JavaScript, CSS
Applications: Node.js, React, MySQL, NoSQL, Mongoose, Express.js

EDUCATION

Full Stack Web Development: *University of North Carolina Charlotte, Charlotte, NC*

A 24-week intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, Firebase, Node.js, MySQL, MongoDB, Express, Handelbars.js, and ReactJS.

Bachelor of Science - History : *Western Carolina University, Cullowhee, NC*
Learn to hypothesize, research, and present information in an intelligent way to my professors and peers. Excelled in the research department and helped professors find details to support their research. Greatly impacted my efficiency with documentation.

PROJECTS

Show-Me-How | **https://github.com/jamesbelk0/Show-Me-How** | **https://boiling-fjord-93274.herokuapp.com/**
- *Online blog space combining skills for a full-stack app. Integrate user validation and gatekeeping content to users with valid accounts. Allows for a centralized look at user created content.*
- *Create back-end routes, models and server information. Troubleshoot front-end elements for a seamless transition for user experience.*
- *HTML, CSS, Sequelize, JavaScript, Handlebars.js, Express.js*

Aperitif | https://github.com/jamesbelk0/Aperitif | **https://jamesbelk0.github.io/Aperitif/**
- *Localized app for a user to find a bar based on zip-code with all information to find the location. Also includes a dad joke to help start conversation with a group of friends or soon to be friends.*
- *Fetch API and append to HTML. Implement Bulma styling with functioning script.*
- *HTML, CSS, JavaScript, API, Bulma*

Librarian IT-Tech, Davidson County 2016-2019
Davidson County Public Library Lexington, NC

Regulate the Young Adult sections collection, host IT hours for the public, and make sure our reference desk stays operational. Experience with various operating systems, software and how to efficiently remedy issues as they arise.

Key Accomplishments:

- *Gather reports for the branch manager to demonstrate outreach and patron experience. Interact with various operating systems, software and required to assist in remedying issues that might arise within our systems. Create and build a team of part-time employees to add to the team when applicable.*
- *Team of 9 full time employees and 4 part time employees.*

Gym Owner 2019-Current
CrossFit Hog-Town/Chair City Fitness Lexington, NC

Manage gym memberships, programs and documents through our management system (Wodify). Interact with clients and handle any bugs that come through the online portal.

Key Accomplishments:

- *Build and manage a team of coaches through a global pandemic and keep client engagement while required to close our physical locations. Offer classes and optional education for clients and coaches to develop their time. Interact with Wodify and other third party software and issue bug reports.*
